Job Description

Ryan Companies has an opportunity available for a Property Manager overseeing a portfolio of multi-tenant office, industrial and retail properties in the Chicago area.

We are looking for highly-motivated professionals with 3-5 years of strong property management experience. Ryan Companies is focused on protecting, adding, creating and realizing value in alignment with the owner's goals and objectives.

Specific duties include: managing a trust relationship with the owner(s) and tenants, consistently delivering superior customer service, budgeting and maintaining expense controls, overseeing the property's financial position, risk management, leasing management and other various operational items.

A successful candidate must have a Bachelor's degree, preferably in Business, Economics, or Real Estate, ideally be active in BOMA and/or IREM and have one or more professional designations (CCIM, CPM, RPA, etc.). An active real estate license is preferred. Must have experience in leasing, budgeting and operating cost supervision and a proven ability to work well in team and also independently. Proactive communication, high level of customer focus and delivering a work product with the utmost level of professionalism, honesty, and integrity is essential.
